This Week We Look Over the Crop  
Of Candidates For City, County,  
State and National Office

It looks now like winter is over for a spell and we can settle down to a little political prognosticating. I think everyone enjoys sitting around and guessing on who will run for what and why. So, I might as well do a little guessing along with the rest of you.

First let's look into the senatorial race. There is Senator Charles O. Andrews out at the head of the pack. Then there are others. Many others. There's the governor—Frost. P. Come—in the race. He entered last week. It is hard to tell what kind of race the governor will make. The best I can learn he plans to make sort of a front-porch campaign and leave most of the work up to his friends throughout the state. Dr. O. B. Hazen of West Palm Beach is talking about running for the governor. He has secured a former resident of Pahokee and has a host of friends who will be interested in his race if he finally decides to enter. Then, too, Dr. Hazen has a wide acquaintance in north and west Florida. Boyhood friends who will wish to back him and who believe in him. Another senatorial aspirant is Charles Francis Coe of Palm Beach. He has secured Kenneth Ballinger as his campaign manager. Kenneth is widely known throughout Florida and has many friends. In years gone by Kenneth was political editor of The Miami Herald and is no novice in this thing called politics. His addition to Coe's office will enhance the writer's chances of securing votes.

The woods seem to be full of candidates for governor. Up in Volusia county there is handsome, smiling and youthful Francis P. Whitehair. He cut his first teeth on a political ring. He is a well-to-do attorney and citrus grower and over the state he carries a lot of talk in favor of Mr. Whitehair. We switch from Volusia to the home of former governor, Dave Shultz, to Imperial Park county and State Senator Spessard L. Holland. After serving two four-year terms in the state senate Mr. Holland has decided to make the race for governor. In fact he dropped by the secretary of state's office the other day and paid his qualifying fee—\$375.00. County Commissioner Helthcox of Umatilla was in this office the other day and said Spessard's chances are particularly bright. Mr. Helthcox is president of the state association of county commissioners and has wide acquaintance throughout Florida. Right here in Palm Beach county we have a man who is going to surprise a lot of people and garner in a lot of votes on May 7th. He is none other than our own B. F. Paty. He launched his campaign in Flagler park in West Palm Beach last Thursday night before a large crowd of home-towners. My informants in north and west Florida tell me that Paty has a large following in that section. If he carries Dade, Broward and Palm Beach counties along with a right good showing throughout the state, it might be hard to keep him out of the second primary.

Up Jacksonville we have another youngster who aspires to Governor Coe's top—Palmer Warren. Fuller has had a couple of terms in the lower house of the legislature and has a wide acquaintance in the state through his prominent Junior Chamber of Commerce work. A couple of his promises in his announcement had to do with taking the center of the highway and providing a better foot ball team for the University of Florida. Of course, sensible chap that Fuller is, he had many a good plank in his platform—not saying that the two mentioned aren't good. I've been hearing a lot of talk about Walter B. Frazer, mayor of St. Augustine. He's serving his nineteenth year as mayor of the "Oldest City in America" and, after all, a fellow must be held in high esteem in his home town if they elected him one term after another. He is building up an excellent state organization and naturally will gain more ground in the state after his election. The Rev. J. E. Barbee of Jacksonville is out over the state, the lowest east coast of the state this week. He has been in Miami and among other things said he planned to make the race for governor on the amount of money allotted by him. If he does and gets any votes to speak of he will be some sort of a magician. The man we heard most of several months ago for the governorship seems to be getting the least amount of publicity at present. He is Burton Schoepf of Tampa. Several months ago Burton broke on the front pages of state newspapers with his "Fifteen-Orange Juice" campaign and soon thereafter put his name in all the papers along with Dr. Townsend. Since that time I've heard little from him. So far as I know he may be rounding up votes in great blocks and may give all of us a surprise later on.

There are many other fellows in Florida who are either planning to run or making a lot of fuss about it before qualification day arrives. Some may qualify. Others, or course, won't. But, let's get a little closer home and talk about Palm Beach county candidates for a while.

I'll start off by saying that County Superintendent of Schools John L. Leonard will be a candidate to succeed himself in office. To date I haven't heard of any opposition against him. I'm guessing (remember all we can do is what I can find out about any opposition this time. From reports of the folks seem pretty well satisfied with the job that County Superintendent Leonard has done. Records show that he has been a busy man since taking over the

## Pahokee Stores To Stay Open Sundays

Announcement was made yesterday that Pahokee dry goods stores will remain open on Sunday—starting Sunday of this week.

Records also show that he has worked harmoniously with the three members of the county school board for the good of the youngsters in school who will be the men and women of tomorrow. I haven't heard of any opposition to Jimmy Owens, county assessor. Jimmy takes care of his office and finds time to get around and keep in touch with the folks in the county.

Just this week I heard that Alex Arnett will be a candidate for the job now held by George O. Butler—clerk of the circuit court. Alex lives in West Palm Beach and travels Palm Beach county for a wholesale concern. I asked him the other day if he had succeeded in getting enough of his friends to urge him to make the race and he was frank and told me he had. He said he'd like to have the job because it paid good money and offered a chance for him to render a service to the people of the county. Carl Widell, chairman of the county school board, is considering the race for circuit clerk. Carl has served two terms as chairman of the school board and, I think, has done a good job there. Uncle George Butler will be in the race for his same job. Known to nearly every resident of the county he will come in for his share of votes on election day.

Stetson O. Sprout, county tax collector, is another efficient official who may have no opposition. Of course, there are many days when no and the primary and one never knows how many opponents may crop up before the race will be between the present sheriff, W. Hiram Law, and Attorney L. R. Jack Baker. Their race was a close affair four years ago and in all probability the race between these two gentlemen will provide the fireworks of the campaign in Palm Beach county. John Grieg, supervisor of registration, had a flock of opponents four years ago. He came out on top. I imagine there will be three or four out for Mr. Grieg's job before the deadline comes.

In the Pahokee-Canal Point area right now there is more talk about the constable's race than anything else. It looks like Francis Cross, deputy sheriff, may oppose Constable Albert Galt in the coming election. Mr. Cross has made no official announcement but many of his friends are asking him to make the race. Mr. Galt hasn't made his official announcement yet, but I understand he will stand for re-election.

With a city election coming up in Pahokee on the same day the state primary is held, there'll be plenty of excitement. Haywood Baxter, police chief, will be in all probability opposed by two contenders for his job. Lee Rivels, former police chief and at present deputy sheriff, is thinking seriously of making the race. O. M. Murphy plans to make the race for police chief, he said. That's three in the race and the date for qualifying is a long way off.

Attorney Russell O. Morrow, state representative in group two, will make the race for re-election. He served in the 1927 session and was re-elected to the 1929 session without opposition. Mr. Morrow doesn't believe he will be as lucky this time as he was two years ago — to get by without opposition. Attorney Herbert D. Beck of Belle Glade, who trimmed this writer two years ago for a seat in the lower house, hasn't made any public announcement, as to whether he will seek re-election.

Now, about that state senatorship. As you probably already know the 35th senatorial district of Florida (Palm Beach and Broward counties) is represented in the upper house in Tallahassee by J. R. Beardsley. He has secured four-year terms and is going to have opposition during the coming primary election. Attorney Charles Abbott of West Palm Beach was in my office the other day talking about his plans to run for the state senate. I didn't tell him about the several folks who have been asking me to make the same race. I've got a little figuring to do though before I make an announcement. I must figure out whether these folks, who are urging me to run for the senate, really want to support me or whether they just want to get me out of the race for state representative. I'll let you know just as soon as I figure it out.

### RETURN TO KENTUCKY

Miss Mary Poller and Mr. and Mrs. W. H. Henley left Canal Point yesterday morning for their homes in Louisville, Ky. After a two week visit with Mr. and Mrs. George Kingsley, Miss Poller and Mr. Henley are returning to their homes in Kentucky. Mr. Henley is a nephew and niece, respectively, of Mrs. Kingsley.

## For Re-Election ...

Though neither gentleman has made formal announcement of his intention, it is generally thought in this section of the county that Commissioner D. D. Crocker and County School Board Member Carmen Salvatore will seek re-election in the May primary.

### HAS NEW ASSISTANT

Paul Jordan, operator of the Jordan jewelry store in Pahokee, announces the employment of a watchmaker for full time duty. Mr. Fickes of St. Petersburg arrived yesterday and has taken up his duties as assistant to Mr. Jordan.

## Glades Fair Dates Set By Committee For Week April 9-13

Annual Affair Will Be Held In Belle Glade This Spring

The twelfth annual Everglades Fair, sponsored by the Percy Manfield Post, Pahokee, and Everglades Post 20, Belle Glade, American Legion, will be held April 9 to 13 inclusive, in Belle Glade, it was announced Wednesday by the joint fair committee of the two posts.

Chairman Joe Froehlich of the fair committee said "The displays for the fair will be more varied than ever before. All activities of the Glades, including cattle fattening, colery and leading crops will be emphasized."

Sugar cane will have a very prominent place, as the recently organized cooperative of over 100 farmers will join the cane interests already here in an extensive display, it was stated.

Four of club men and boys, Future Farmers of America, and Boy Scouts, Home Demonstrations Club, Garden Club and other organizations have reported intentions of joining wheatearists with the Pahokee and Belle Glade Legions in making this the best fair ever held."

## Legion Dance For Finnish Relief

Officials of the Pahokee post of the American Legion announced this week that plans have been completed to hold a benefit dance in the Legion hall on Friday night, February 2. Proceeds from the affair will go to the Finnish relief fund. Officials of the organization said they were seeking the cooperation of the Belle Glade Rotary club, the Pahokee Lions and Rotary clubs and the Keweenaw club of Clewiston. Tickets will soon be placed on sale, officials said and a prominent East Coast orchestra will be engaged for the evening.

While Florida is usually thought of as a tourist state, it ranks high in agriculture. Florida stands first in the value of crops per acre and the average being \$285. Florida also ranks first in the production of Sumatra Tobacco, winter grown tomatoes, grape, eggplants, peppers, Irish potatoes, colery, lettuce, melons and strawberries.

## B-r-r-r! It's Chilly In The Mucklands! But Prices Are Up!

### Farmers Get Excellent Returns For Vegetables That Are Frostproof

Shipments from the Glades section of the Everglades section were 37 cars heavier than during the same week last year. This week only 47 cars of peas were rolled while during the same week last year 98 cars were shipped to northern markets. During the past seven day period 107 cars of peas and vegetables have been shipped by Glades growers and the prices received have been highly satisfactory.

Frost and threatened frosts have kept Glades growers in a dither during the past seven or eight days. While cold spells and more cold spells predicted although it has been an effort for farmers to get enough sleep to do their work. Many of them have been busy building fire in the fields to protect their crops from the cold and others just naturally couldn't get to bed while the frost threatened.

Frost and cold weather on Monday morning of this week did approximately 25 per cent damage to growing crops in the Lake section. The Belle Glade and South areas were hardest hit. This was the worst since the weekly Rotary club meeting on Friday at the Community Methodist Church. Mr. Hamilton spoke at a vacation trip to the Northwest as a vacation trip. He said Glades is a land. He said Glades is a land. He said Glades is a land.

Paul scenery can be compared with the Swiss Alps in Switzerland. He described the scenery as a hunting and hunting facilities, and said Indians who furnished Blackfoot guides were met all tourists at the train. Guests attending were Herb Crocker, Buffalo, N. Y., George Carr, West Palm Beach and William D. Branson, West Palm Beach.

## Skull Fractured When Hit By Auto

Junior Guthrie, ten-year-old son of Mr. and Mrs. W. R. Guthrie, Pahokee, is getting along in a well as could be expected in a Pahokee hospital after receiving serious head injuries Tuesday when he was struck by an automobile driven by R. W. Donahue of Canal Point. Hospital attendants yesterday afternoon said he was in a growing state of recovery. The boy was a frail, thin child and a broken leg.

Police Chief Haywood Baxter said the youngster was run over on Canal Point road three-quarters of a mile from Pahokee by a car driven by R. W. Donahue, of Canal Point, about 5:30 p.m. Tuesday. Chief Baxter said the apparently can directly in front of the car and no charges had been preferred against Donahue.

## Cold Spell Takes Its Toll In Vegetables On Shore of Lake Okechobee This Week

### Do You Have \$489?

The editor of the Titusville Star-Advocate got busy with his pencil last week and figured out just how much money each person in America is supposed to have. Don't blame him if you don't have your share, but there is the way it figures out: If you may not know it, but if you're an average man you have \$489 to your credit in some bank.

That's the average which the Federal Reserve Board estimates belongs to every man, woman and child in this country. It comes from a computation of the 64 billion dollars on deposit, an increase of five billion over last year, and an increase of nine billion over 1929.

"The average would mean a bank account of about \$2,500 for a family of five. That's probably a correct average but far from being a true picture of the normal family for there are certainly many families that fall far below that standard."

## 4,500 Negroes Are In County Schools

In an address before the Pahokee Rotary club yesterday noon, John L. Leonard, county superintendent of schools, pointed out to members of the club that there are 4,500 negro students in the colored schools of Palm Beach county. Total enrollment of white and colored children runs well over 14,000 mark, Mr. Leonard said.

E. E. Hamilton, traveling freight agent for the Florida East Coast railroad was the speaker at the weekly Rotary club meeting on Friday at the Community Methodist Church. Mr. Hamilton spoke at a vacation trip to the Northwest as a vacation trip. He said Glades is a land. He said Glades is a land. He said Glades is a land.

Mr. C. L. Willett entertained the Thursday bridge club at the Cypress Lodge this week with a luncheon served at noon, after which two tables were set for play with Mrs. John Fourny high scorer, winner, and Mrs. Thaddeus Whidson, second. Other players were Mrs. Gus McWhorter, Mrs. Robert Creech, Mrs. Lee B. Hayden, Mrs. William Buck, Mrs. Jack Keesee, and Mrs. Lorraine Vann. Mrs. Fourny was guest of honor. The club meets next week with Mrs. Buck.

## Funeral Services For Jimmy Bush

Jimmy Bush, 5, died Sunday morning at 9 o'clock at the home of his parents, Mr. and Mrs. A. B. Bush, in Pahokee, after a short illness. Services were held at 2 o'clock Monday afternoon at Everglades Funeral Home with the Rev. O. L. Perdon of Nazarene Church officiating. Burial was made in Pott's Mausoleum. Surviving aside from the parents are a brother, Jack, a twin brother and sister, Bobby and Mrs. Price Davis of Pahokee, and the paternal grandparents, Mr. and Mrs. Joe Bush, Lakeland.

## Frost and Cold Winds Give Glades Crops Severe Setback; Prices Are Up

The severest cold spell in five years visited the Lake Okechobee farming region during the week. No t since December 1924 has this section experienced weather of the type that the weather man dished out for green vegetable growers and other residents of this area. The cold spell has taken its toll in tender vegetables during the week and the remaining crops are under a severe setback on account of the cold and winds.

A heavy frost and light freeze in the Lake area Monday morning ruined nearly 25 per cent of the growing crops around Belle Glade and South Bay. The Pahokee and Canal Point area escaped the Monday morning cold with very little damage. The fact that Old Sol did not show his face on Tuesday was given as reason by growers for so little damage to the crops around Pahokee and Canal Point. Frost formed in one 80 acre plot of cabbage but during the afternoon it melted and with no sunshine the owner said little damage was done.

Another frost visited the section Wednesday night but did little damage since it followed closely behind a heavy rain the day before. Growers said the fact that the soil was wet prevented the frost from doing material damage.

J. W. Milligan, representative of the frost warning service, said that in Belle Glade, said a reading of 25 degrees was recorded at Moore Haven—the lowest around the lake. This was, however, maintained for too short a period for severe damage. Minimum readings at the Everglades Experiment station ranged from 28 to 35. In Belle Glade the mercury fell to 32. Canal Point had a low of 37 degrees, and 39 degree minimums were recorded at Brown's Farm, Broward and four miles southeast of Belle Glade. Frost was a general throughout the area, according to Milligan.

## Several Attend Council Meeting

Among those from the Glades who attended the annual meeting and election of the Gulf Stream Council of Boy Scouts, West Palm Beach, Thursday night, were Mr. and Mrs. J. R. Beardsley, Mr. and Mrs. Albert Freund, Mr. and Mrs. G. B. Sartoris, Mr. and Mrs. Francis Cross, Mr. and Mrs. J. S. Harrington, J. R. Cox, the Rev. M. O. Stawson, Charles Jones, Monroe Pope, Sonny Harrison and Rosewood Harrington of Canal Point, Browning Roach, P. M. deMoya, John A. Dulany, J. M. Gledhill, Carl Patton, Frank L. L. Chalkley, W. H. Willis, Charles Shirley, T. L. Burns and D. D. Auditt, of Pahokee; Mr. and Mrs. Leo Belmer, J. B. Neller, of Belle Glade. Representatives from the Glades area named on the Council were J. R. Beardsley, J. S. Harrington, Canal Point, Dr. J. R. Neller, Belle Glade, and J. A. Dulany, Pahokee.

## Palm Lake Baptists Meeting On Tues.

A meeting of the Palm Lake Baptist Training Union Association of the Lake District was held at the First Baptist Church in Belle Glade Tuesday evening. Donal Weeks, director, presided. Attendance banners were awarded the Juniors at Canal Point, Palmers and Intermediates at South Bay.

A social hour was enjoyed with games and contests and refreshments were served by Mrs. Francis Harris, Mrs. Henry Collins, Mrs. Gladys Jones and Mrs. Marion Santell. Representatives were present from Clewiston, South Bay, Pahokee and Canal Point. The next meeting will be held in Canal Point Feb. 20.

## State Agree To Sale Of 4800 Acres Land

Cabinet members in Tallahassee agreed Tuesday to sell 4,800 acres of land in Palm Beach county when they were told it is part of a 10,000-acre tract on which a sugar cane crop is planned.

I. G. Atwell of West Palm Beach told trustees of the Internal Improvement Fund he was acting as agent in the acquisition of the property for Dr. Felix Glus.

He said he would sell 1,800 acres and the Southern States Land and Lumber Company would sell another 3,000 acres at \$20 an acre. The price offers 2 the state.

The tract in north of the West Palm Beach county is a best recent land of Lake Okechobee.

From The South Palm Beach, students at Citrus College, near the plant and in Palm Beach, have been told to leave the area.

## NEW DAUGHTER

Mr. and Mrs. Wade Ammons announce the arrival of an 8 1/2 pound daughter at Everglades Memorial hospital on Tuesday, January 23. The little lady has not been named as we go to press. Mr. Ammons operates the Quality Market north of Canal Point.

## South Bay School To Present Comedy

On Thursday and Friday nights, January 25 and 26, "Call Me Kitty" will be staged in the South Bay school auditorium.

A top speed riot, "Call Me Kitty" features the cream of community talent in roles that turn chuckles into laughter. A distinct theatrical hit, featuring dozens of community children in the chorusing numbers, which are professionally costumed. "Call Me Kitty" moves with a rapid pace that will keep any audience in an uproar.

For the benefit of the Parent Teachers' Association alone, the most popular local production will be elected and awarded a diamond ring during the night of this production.

Don't miss "Call Me Kitty," but if it harkens you to laugh, bring your sister with you.

## More Reports Made By Fee Officials

Surplus fees amounting to \$72,811, paid by five of the major fee officials of Palm Beach county, were deposited in the excess fee fund Tuesday upon orders of county commission after checks had been received from the officials.

The largest amount, \$52,276.63, was paid by George O. Butler, clerk of Circuit court. The report of Sheriff W. H. Lawrence showed a deficit of \$159.76 for 1939. However, it showed collection of \$2,735 earned during 1938, and \$802 earned in 1937.

Reuben G. Eppold, county tax collector, turned in an excess fee check for \$12,928.62. James M. Owen, Jr. tax assessor, \$7,222.36. R. P. Robbins, county judge, \$1,134.23. J. Louis Carter, clerk of Criminal Court of Record, \$250.10. These totals are net to the county after the officials have deducted expenses and compensation provided by law.

## MILK PRICES UPPED

A notice in this week's paper tells of a raise in the price of several milk products in the Glades territory. The raise in price was agreed to by all dairymen serving this area. The main increases are on sweet milk and butter milk.

## JULIAN J. PLATZ

Insurance

Julian J. Platz in West Palm Beach at 204 Guaranty Bldg. Phone West Palm Beach 3747 and 3748 is one to whom for insurance, and among the most prominent agents in this part of the country.

Offering to auto and truck owners an excellent insurance policy obtainable. Especially to truck owners who are hauling long distances, we wish to direct you to the most reliable insurance writer. Knowing the difficulty they are experiencing in obtaining insurance at a reasonable sum, Mr. Julian Platz represents a company that will insure truck owners at rates not obtainable elsewhere and which you will agree are most reasonable.

Offering not only large and strong companies, but a service that is both magnanimous and prompt. He has an enviable record of service to the public during the time he has been one of the most prominent and reliable professional men of this part of the community.

Representing as he does some of the largest, strongest and most popular companies in the country, it is not surprising that this well known insurance office is operated by an insurance expert and enjoys a large patronage of the insurance business in the community. But the unusual success that this insurance office has achieved is due in a large measure to the fact that it appreciates the value and necessity of excellent service to its business.

Ever since this concern began operating it has been at the service of its patrons at all times, willing and anxious to give any information desired. Each year it is gratifying to see the number of persons who do not like to be insured merely by the asking of questions.

Courtesy and accommodation have been two bywords of their progress and the hundreds of clients who have consulted and purchased insurance from them are evidence of this for this commendable policy which has ever been increasing the patronage of this establishment.

There can be no mistake, but this is the day and age when insurance is one of the essential needs of every individual. This office is one of the best services and

of insurance experts but of specialists that enjoy enviable success.

He serves auto property damage liability, and insurance for truckers. He is at his office or send inquiries by mail for information regarding the insurance for truck owners which he is now offering at the best rates obtainable anywhere. Do not worry about loss because you can not afford to have insurance. Mr. Platz will solve this insurance problem.

We wish to compliment Julian J. Platz upon his standing in the business and his professional ability. His position of the state and to refer the public to all our readers as a representative of the highest consideration.

## GARDENIA FLOWER SHOP

With the advent of each season this conspicuous floral establishment is prepared to meet the demands of the season. Each year it is gratifying to see the number of persons who do not like to be insured merely by the asking of questions.

Probably there is no gift so valuable as a bouquet of flowers. The thoughtfulness of a bouquet of flowers is a gift that speaks so eloquently of thoughtfulness as does that of flowers. The tired wife and mother will appreciate a bouquet of flowers more than any other gift. The sweetheart knows her love is true when he sends her flowers.

No community is complete without a modern florist. They are essential to the modern city and surrounding territory. This up-to-date establishment meets the demands of the highest degree.

Take advantage of this wonderful service and visit Gardenia Flower Shop in West Palm Beach at 518 South Olive Street, West Palm Beach 5776.
